Lincoln Staff

The school services the needs of over 400 students. The staff include the principal, a secretary, office staff, certified nurse, school counselor, numerous teachers and teaching assistants. In addition, we have a school psychologist, speech pathologist, hearing itinerant, occupational and physical therapists, ELL teacher and a 3rd grade certified enrichment teacher. Also included in our staff is a part time librarian, and a technology assistance.

The building is maintained by the district maintenance team along with full and part-time custodians. Hot lunches and lunch supervision is provided by several cooks, paraprofessionals and teachers.

Lincoln's Goal

The school goal is to provide support & guidance to meet the needs of every students. We acknowledge that all students can learn. Our focus is to provide instruction in all social, emotional and academic areas. Lincoln School is a PBIS school. Positive Behavior Interventions Systems (PBIS) means that students will know exactly what is expected of them. Our focus to help the student develop socially, emotionally and academically to become productive citizens.

Dixon Public Schools,

In cooperation with the community, provide students a comprehensive educational program producing well-educated, self-sufficient, and involved citizens.

Lincoln School Vision:

By the end of the 2012 school year, Lincoln Elementary School staff will use data driven decisions to ensure that every student achieves academic and social/emotional growth within an environment of mutual respect and collaboration.

Curriculum

2nd-3rd Grade Core Academics

Math, Language Arts, Reading, Writing Spelling, Science, Social Studies,

Health, Music, Computer

and Daily Physical Education

PBIS
Positive Behavior Intervention

Our goal is to help each child develop self-discipline. Together the home and school share the responsibility for developing good citizens. Parents, teachers, and students must work together to maintain a safe learning environment. The PBIS program is based upon our philosophy of recognizing positive contributions of students.

PBIS means that teachers, administrators, counselor, and support staff are going to take responsibility to TEACH positive behavior expectations to students.

Rewards

PBIS means that students will know exactly what is expected of them. Students who take responsibility to behave positively will be recognized and rewarded in a variety of ways:

- **Behavior Punch Cards**
- **Friday Popcorn Party**
- **School Behavior Store**
- **Weekly Drawings**
- **Quarterly Celebrations**

Assessments
Aimsweb / MAP

Aimsweb Tests are given three times throughout the year. The teachers use the data to tailor instruction to meet the needs of the student. Reading – Curriculum Based Measurement measures fluency. MAZE checks for reading comprehension. Math – Computation measures number fluency. Math – Concepts and Applications measures math applications and math skills.

MAP – Measures of Academic Progress – is designed to identify students' overall standing in the areas of reading and math.

RtI
Response to Intervention

Teachers at Lincoln school use a variety of assessments and tools to determine students academic strengths and weaknesses. Aimsweb and MAPs are administered three times a year. Progress monitoring is done throughout the year with students who are given interventions to determine the student's growth. Data driven instruction allows teachers the ability to provide support or enrichment.

Interventions are tailored to the student's needs. The goal is to strengthen students reading and math skills.
